Jeannette Laser Memorial Scholarship Funds established

Two new permanent scholarship funds have been created at the Ashland County Community Foundation for the benefit of both Loudonville High School and Mansfield Senior High School graduating seniors, to memorialize the sudden passing of Jeanette E. Laser in August of this year.

Established by her husband of 36 years, Todd, each scholarship fund will award $500 per year, beginning in 2020, with an emphasis on supporting students who are pursuing a career in health care. As with all ACCF endowment funds, any amount may be added at any time, so Jeanette’s friends and family are encouraged to contribute, if they so desire.

Jeanette was a 1979 graduate of Mansfield Senior High School and a longtime Loudonville resident. She earned her nursing degree from Mansfield General School of Nursing, then a Bachelor’s of Nursing Degree from Ashland University.

She would later work for Mansfield General Hospital, for 11 years at the Richland County Health Department and for 23 years as a school nurse in the Mansfield City Schools system, where she is remembered as a selfless and loving caregiver.

Jim Cutright, executive director/CEO of the Foundation, commented in a news release: “We at ACCF appreciate the opportunity to serve as stewards of these two significant scholarship funds. When meeting with Todd Laser to establish these memorial gifts for Jeanette, it was especially meaningful, as their son, Brennan, had been a past participant of our IMPACT Youth Council. So, it’s our hope that this will help to provide some healing for this great family and amazing opportunities for area students pursuing higher education in the healthcare field.”

If you wish to contribute to either fund, please contact ACCF at 300 College Ave. in Ashland, by phone at (419) 281-4733 or visit www.accommunityfoundation.org.
